Re: Freedom of Information Act (FOIA) Request
Number 10-RIN-01667-93

Dear Ms. Litterini:

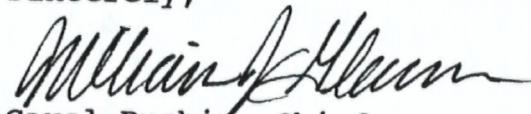

This letter is in response to your Freedom of Information (FOIA) Request Number 10-RIN-01667-93 of November 30, 1993.

In a telephone conversation with you on December 16, 1993 Lynda Priddy of my staff explained that the Washington State Department of Ecology (WDOE) has been identified as the "lead" for Pasco Sanitary Landfill. As lead, WDOE is not only conducting the investigation and remediation of the site but is also the decisionmaker for all activities at the site. The entire site file and administrative record for the site is in the possession of the WDOE. The Site Manager for the site is Guy Gregory. His telephone number is (509) 456-6387.

Ms. Priddy suggested that you contact Mr. Gregory for the information you requested. If you have any other questions, please call Ms. Priddy at (206) 553-1987.

This concludes the Environmental Protection Agency Region 10 response to FOIA request number 10-RIN-01667-93.

Sincerely,

for

Our File #: 717 L 001862-3

Dear Sir or Madame :

Pursuant to the Freedom of Information Act ("FOIA"), 5USC Section 552, I am writing to request copies of documents concerning the captioned site. Specifically, I am requesting copies of the following: all documents or correspondence pertaining to Precision Castparts Corp, site assessments, all remedial information and feasibility studies, ranking of PRPs, any and all references to liability breakdowns and/or settlement demands.

For Purposes of this request, the term "document" includes, without limitation, all correspondence, memoranda, inter- and intra-agency communications, minutes, reports, notes, schedules, analyses, photographs, contracts, proposals, and all other such documents tangible or retrievable of any kind.

In the event that a determination is made that some or all of the documents requested are exempt from disclosure under FOIA, please identify those documents withheld and the basis for the Agency's exemption in each instance. Finally, please provide me with a copy of all non-exempt material to the extent it is reasonably segregative from material claimed to be exempt from disclosure.

I am aware that your records may be voluminous. Should this be the case, I would like to inform you that I can arrange to visit your office to review/obtain the information requested.

If you require additional information to process this request, please contact me at the number listed below.

Thank you in advance for your assistance regarding this matter.

Very truly yours,

Etta Litterini
